

Carpet Solutions, Inc.

CSI Nationwide Floor Covering Specialist Since 1982

Carpet Solutions, Inc. Makes Carpet Replacements in Libraries Easy!!

Carpet Solutions, Inc. has been replacing carpet in libraries since the mid 1980's with the University of Texas Library in Austin, Texas. Since then, CSI has replaced carpet at: (just to name a few)

City of Myrtle Beach, Myrtle Beach, South Carolina---4000 sq yards

East Grand Rapids Public School Library---3500 sq yards

Lee County Adams Public Library---5000 sq yards

State of Michigan Public Architectural Library---3500 sq yards

Virginia Commonwealth University Library---7000 sq yards

University of Michigan---2000 sq yards

CSI's Milli-Jack® Lift System Is Specially Designed To Gently Lift Book Shelves, Furniture And Cabinets:

We lift bookshelves with all of the books still on them

We use air purification machines to keep dust spread down

We only use our employees **"NO Sub-Contracted Workers"**

No downtime for your library/we work night and weekends
